Index to Hawai'i Medical Journal Volume 65, 2006

Compiled by Carolyn S.H. Ching MA, MLIS, AHIP and Laura E. Gerwitz MA, MLIS
of the Queen's Medical Center, Hawai'i Medical Library

AUTHORS INDEX

ALAGIAKRISHNAN K. Patient acceptance of intranasal cobalamin gel for Vitamin B12 replacement therapy, 65(11):311
AMBROCIO DU. 57-year-old Asian-American man with Kikuchi's disease, 65(11):315
APISARNTHANARAK A. Evaluation of Cryptococcus laurentii meningitis in a patient with HIV infection: a case report and review of the literature, 65(9):260
ASUNCION DA. Demographics and characteristics of wheezing/asthmatic children with repeat emergency department visits in Oahu, Hawaii, 65(2):40
BAILEY TC. Evaluation of Cryptococcus laurentii meningitis in a patient with HIV infection: a case report and review of the literature, 65(9):260
BALARAMAN V. research subject advocate at the University of Hawaii Clinical Research Center: an added resource for protection of human subjects, 65(2):50
BALAZS GC. Conjugate heptavalent pneumococcal vaccine outcome improvements, 65(10):288
BARCIA A. Educating tomorrow's physicians about cancer clinical trials [Medical school hotline], 65(9):266
BECKHAM S. Demographics and characteristics of wheezing/asthmatic children with repeat emergency department visits in Oahu, Hawaii, 65(2):40
--- Evaluation of secondhand smoking characteristics in asthmatic children: presenting to four emergency departments on O'ahu, Hawai'i, 65(4):105
BERG BW. Simulation in medical education - SimTiki [Medical school hotline], 65(7):206
BERRY MJ. Selenium, selenoproteins, and cancer [Cancer research center hotline], 65(8):241
BLANCHETTE PL. Utility of the Informant Questionnaire on Cognitive Decline in the Elderly (IQCODE) for dementia in a Japanese-American population, 65(3):72
BLITZ C. Pacific Tracker (PacTrac): an interactive dietary assessment program at the CRCH website [Cancer research center hotline], 65(6):175
BORNEMANN M. Severe Vitamin D deficiency in Hawaii: a case report, 65(1):16
BOYCHUK RB. Demographics and characteristics of wheezing/asthmatic children with repeat emergency department visits in Oahu, Hawaii, 65(2):40
--- Evaluation of secondhand smoking characteristics in asthmatic children: presenting to four emergency departments on O'ahu, Hawai'i, 65(4):105
BRADY SK. He mana'o, thoughts from the editor: 'Akahi - #1 [Editorial], 65(1):4
--- He mana'o, thoughts from the editor: our calling and organized medicine [Editorial], 65(2):36
--- He mana'o, thoughts from the editor: maintaining our clinical skills [Editorial], 65(3):68
--- He mana'o, thoughts from the editor: doctoris: we are all teachers [Editorial], 65(4):100
--- He mana'o, thoughts from the editor: American College of Physicians: Laureate Award speech by Ed Cadman MD, FACP, Laureate [Editorial], 65(5):128
--- He mana'o, thoughts from the editor: medical/legal issues are top educational requests & mahalo, Dr. Hardman [Editorial], 65(6):160
--- He mana'o, thoughts from the editor [Editorial], 65(7):188
--- He mana'o, thoughts from the editor: October 2006 [Editorial], 65(10):280
BUENCONSEJO-LUM L. Physicians' willingness and barriers to considering cost when prescribing, 65(11):318
--- Comprehensive cancer control in the U.S. Associated Pacific Island Nations [Cancer research center hotline], 65(11):324
BURNETT T. Hawaii Colorectal Cancer Family Registry [Cancer research center hotline], 65(7):208
CADOY M. Evaluation of secondhand smoking characteristics in asthmatic children: presenting to four emergency departments on O'ahu, Hawai'i, 65(4):105
CARETHERS M. Patient acceptance of intranasal cobalamin gel for Vitamin B12 replacement therapy, 65(11):311
CASSEL KD. Educating tomorrow's physicians about cancer clinical trials [Medical school hotline], 65(9):266
CHANG WJKW. Valve replacement in endocarditis: setting limits in noncompliant intravenous drug abusers, 65(6):168
CHEUNG AHS. Liver transplant in Hawai'i: over a hundred cases, 65(6):162
CHEUNG LWK. Patterns of childhood cancer in Hawaii between 1975 and 2000, 65(8):221
CHING CK. case of Enteroccoccus faecalis prosthetic joint infection: a rare and difficult infection to treat, 65(9):264
CHING CSH. Index to the Hawaii Medical Journal, Volume 65, 2006, 65(12):353
CHONG V. Evaluation of secondhand smoking characteristics in asthmatic children: presenting to four emergency departments on O'ahu, Hawai'i, 65(4):105
CHOW D. 17-year-old female with headache and fever: case report, 65(1):21
CHUNG RS. Variations in clinical practice among the Hawaiian Islands, 65(8):226
COONEY RV. Tocopherols and prostate cancer [Cancer research center hotline], 65(9):268
CURZ L. Tachycardia-induced elevations in cardiac troponin in the absence of coronary artery disease, 65(3):86
DAVIS JW. Variations in clinical practice among the Hawaiian Islands, 65(8):226
DAY C. Evaluation of secondhand smoking characteristics in asthmatic children: presenting to four emergency departments on O'ahu, Hawai'i, 65(4):105
DEMESA CJ. Demographics and characteristics of wheezing/asthmatic children with repeat emergency department visits in Oahu, Hawaii, 65(2):40
--- Evaluation of secondhand smoking characteristics in asthmatic children: presenting to four emergency departments on O'ahu, Hawai'i, 65(4):105
DEVER G. Community outreach, training, and research: The Hawaii/Pacific Basin Area Health Education Center of the University of Hawaii, John A. Burns School of Medicine, 65(2):46
DODD A. 17-year-old female with headache and fever: case report, 65(1):21
DONAVAN R. Evaluation of secondhand smoking characteristics in asthmatic children: presenting to four emergency departments on O'ahu, Hawai'i, 65(4):105
EASA D. research subject advocate at the University of Hawaii Clinical Research Center: an added resource for protection of human subjects, 65(2):50
--- Use of provider delivered complementary and alternative therapies in Hawaii: results of the Hawaii Health Survey, 65(5):130

EFIRD JT. Use of provider delivered complementary and alternative therapies in Hawaii: results of the Hawaii Health Survey, 65(5):130
FANNUCCHI R. Evaluation of secondhand smoking characteristics in asthmatic children: presenting to four emergency departments on O'ahu, Hawai'i, 65(4):105
FARM F JR. Hyperbaric Treatment Center [Medical school hotline], 65(2):53
FERGUSSON N. unusual abdominal tumor - leiomyosarcoma of the mesentery: a case report, 65(1):18
FINGER DR. Serial sonographic evaluation of Achilles tendons in patients taking fluoroquinolone antibiotics, 65(4):112
FORRESTER MB. Pattern of birth defects delivered to non-residents in Hawaii, 1986-2002, 65(12):340
FRASER SL. Fatal pulmonary Mycobacterium abscessus infection in a patient using etanercept, 65(1):12
--- case of Enteroccoccus faecalis prosthetic joint infection: a rare and difficult infection to treat, 65(9):264
GARCIA F. Evaluation of secondhand smoking characteristics in asthmatic children: presenting to four emergency departments on O'ahu, Hawai'i, 65(4):105
GARCIA FJ. Conjugate heptavalent pneumococcal vaccine outcome improvements, 65(10):288
GARTNER BM. Demographics and characteristics of wheezing/asthmatic children with repeat emergency department visits in Oahu, Hawaii, 65(2):40
--- Evaluation of secondhand smoking characteristics in asthmatic children: presenting to four emergency departments on O'ahu, Hawai'i, 65(4):105
GERWITZ LE. Index to the Hawaii Medical Journal, Volume 65, 2006, 65(12):353
GIBBS BT. Fatal pulmonary Mycobacterium abscessus infection in a patient using etanercept, 65(1):12
GOLDSTEIN N. great decade [Editorial], 65(1):6
--- Nails and numbers…[Editorial], 65(1):7
--- Editor emeritus: infections and "unrelated" diseases [Editorials], 65(11):308
--- Editor emeritus: let's syndicate the weathervane [Editorial], 65(12):336
GOODMAN MT. cancer profile for Hawaii [Cancer research center hotline], 65(2):55
GOTAY CC. Modeling quality of life in cancer patients as a unidimensional construct, 65(3):76
--- Patterns of childhood cancer in Hawaii between 1975 and 2000, 65(8):221
GROVE JS. Hawaii Colorectal Family Registry [Cancer research center hotline], 65(7):208
HALM BM. Evaluation of secondhand smoking characteristics in asthmatic children: presenting to four emergency departments on O'ahu, Hawai'i, 65(4):105
HAMMATT Z. research subject advocate at the University of Hawaii Clinical Research Center: an added resource for protection of human subjects, 65(2):50
--- Use of provider delivered complementary and alternative therapies in Hawaii: results of the Hawaii Health Survey, 65(5):130
HARDMAN JM. unusual abdominal tumor - leiomyosarcoma of the mesentery: a case report, 65(1):18
--- Synchronous liver cancers: a rare tumor combination in an elderly Japanese woman
HARRIGAN R. Echinacea for the common cold: exploring the rational of scientific research on complementary and alternative medical therapies [Medical school hotline], 65(3):88
--- Authorship: clarifying the debate [Medical school hotline], 65(4):115
--- Use of provider delivered complementary and alternative therapies in Hawaii: results of the Hawaii Health Survey, 65(5):130
HARRIGAN RC. literature review on complementary and alternative medicine for the treatment of breast cancer: Hawai'i, 65(7):190
--- use of complementary and alternative medicine by Asian women of Hawai'i in the treatment of breast cancer, 65(7):198
HIROKAWA R. Overweight and at-risk for overweight among Hawaii public school students entering kindergarten, 2002-2003, 65(10):283
HIXON A. Physicians' willingness and barriers to considering cost when prescribing, 65(11):318
HO HC. Trauma system development: crisis at our doorstep [Medical school hotline], 65(6):172
HOT. research subject advocate at the University of Hawaii Clinical Research Center: an added resource for protection of human subjects, 65(2):50
HONG R. Tachycardia-induced elevations in cardiac troponin in the absence of coronary artery disease, 65(3):86
HUANG T. Overweight and at-risk for overweight among Hawaii public school students entering kindergarten, 2002-2003, 65(10):283
HUDSON JA. Serial sonographic evaluation of Achilles tendons in patients taking fluoroquinolone antibiotics, 65(4):112
IDE JYHE. Synchronous liver cancers: a rare tumor combination in an elderly Japanese woman, 65(6):166
IRVIN L. Public health approaches to cancer prevention [Cancer research center hotline], 65(12):350
IZUTSU S. John A. Burns School of Medicine class of 2010 profile, 65(12):348
JACOBS J. unusual abdominal tumor - leiomyosarcoma of the mesentery: a case report, 65(1):18
JOHN D. 57-year-old Asian-American man with Kikuchi's disease, 65(11):315
KAAHAAINA D. Evaluation of secondhand smoking characteristics in asthmatic children: presenting to four emergency departments on O'ahu, Hawai'i, 65(4):105
KASUYA RT. Educating tomorrow's physicians about cancer clinical trials [Medical school hotline], 65(9):266
KATO K. research subject advocate at the University of Hawaii Clinical Research Center: an added resource for protection of human subjects, 65(2):50
KENT BP. Aphasia awareness among the Honolulu Chinese population, 65(5):142
KHAWCHAROENPORN T. Evaluation of Cryptococcus laurentii meningitis in a patient with HIV infection: a case report and review of the literature, 65(9):260
--- Oral antibiotic treatment for methicillin-resistant Staphylococcus aureus skin and soft tissue infections: review of the literature, 65(10):290
KIM K. research subject advocate at the University of Hawaii Clinical Research Center: an added resource for protection of human subjects, 65(2):50
KIRATISIN P. Evaluation of Cryptococcus laurentii meningitis in a patient with HIV infection: a case report and review of the literature, 65(9):260
KITAYAMA J. Demographics and characteristics of wheezing/asthmatic children with repeat emergency department visits in Oahu, Hawaii, 65(2):40
KIYABU KM. Demographics and characteristics of wheezing/asthmatic children with repeat emergency department visits in Oahu, Hawaii, 65(2):40
--- Evaluation of secondhand smoking characteristics in asthmatic children: presenting to four emergency departments on O'ahu, Hawai'i, 65(4):105
KOLONEL LN. Risk factors for pancreatic cancer in the Hawaii-Los Angeles Multiethnic Cohort Study [Cancer research center hotline], 65(1):26
KWOCK D. 17-year-old female with headache and fever: case report, 65(1):21
LAU JM. Valve replacement in endocarditis: setting limits in noncompliant intravenous drug abusers, 65(6):168
LE MARCHAND L. Do Japanese have an increased susceptibility to colorectal cancer? [Cancer research center hotline], 65(10):296
LE MARCHAND L. Hawaii Colorectal Family Registry [Cancer research center hotline], 65(7):208
LIMM WM. Liver transplant in Hawai'i: over a hundred cases, 65(6):162
LINDELL KK. Serial sonographic evaluation of Achilles tendons in patients taking fluoroquinolone antibiotics, 65(4):112
LOZANOFF S. Department of Anatomy, Biochemistry and Physiology, JABSOM [Medical school hotline], 65(5):146
MADDOCK J. role of public health in medical education [Medical school hotline], 65(8):237
MADDOCK JE. Pediatric obesity: are we under-diagnosing? Assessing pediatric obesity at an urban community health clinic, 65(4):102

--- Public health approaches to cancer prevention [Cancer research center hotline], 65(12):350
MANLUCU L. Physicians' willingness and barriers to considering cost when prescribing, 65(11):318
MASAKI KH. Utility of the Informant Questionnaire on Cognitive Decline in the Elderly (IQCODE) for dementia in a Japanese-American population, 65(3):72
--- Patient acceptance of intranasal cobalamin gel for Vitamin B12 replacement therapy, 65(11):311
--- Excessive sweepstakes participation in patients with dementia in Hawaii: a case series, 65(12):345
MASKARINEC G. Mammographic density as a marker for breast cancer risk [Cancer center research hotline], 65(4):117
MBABUIKE N. Use of provider delivered complementary and alternative therapies in Hawaii: results of the Hawaii Health Survey, 65(5):130
MEDINA L. research subject advocate at the University of Hawaii Clinical Research Center: an added resource for protection of human subjects, 65(2):50
MERZ RD. Pattern of birth defects delivered to non-residents in Hawaii, 1986-2002, 65(12):340
MILLER-PAKVASA H. Hawaii Colorectal Cancer Family Registry [Cancer research center hotline], 65(7):208
MISAILIDIS J. 17-year-old female with headache and fever: case report, 65(1):21
MITSCHKE DB. Educating tomorrow's physicians about cancer clinical trials [Medical school hotline], 65(9):266
MONTVEL-COHEN S. SEARCH for diabetes in youth [commentary], 65(2):38
MOORE N. Community outreach, training, and research: the Hawaii/Pacific Basin Area Health Education Center of the University of Hawaii, John A. Burns School of Medicine, 65(2):46
MUNDY LM. Evaluation of Cryptococcus laurentii meningitis in a patient with HIV infection: a case report and review of the literature, 65(9):260
MURPHY S. Pacific Tracker (PacTrac): an interactive dietary assessment program at the CRCH website [Cancer research center hotline], 65(6):175
NAVIN JJ. unusual abdominal tumor - leiomyosarcoma of the mesentery: a case report, 65(1):18
NEKOBA AC. Demographics and characteristics of wheezing/asthmatic children with repeat emergency department visits in Oahu, Hawaii, 65(2):40
--- Synchronous liver cancers: a rare tumor combination in an elderly Japanese woman, 65(6):166
NIGG C. Physical activity in youth [Cancer research center hotline], 65(5):148
NISHIKI M. John A. Burns School Of Medicine class of 2010 profile, 65(12):348
NOGUCHI H. Liver transplant in Hawai'i: over a hundred cases, 65(6):162
NOTHLINGS U. Risk factors for pancreatic cancer in the Hawaii-Los Angeles Multiethnic Cohort Study [Cancer research center hotline], 65(1):26
NOVOTNY R. Pacific Tracker (PacTrac): an interactive dietary assessment program at the CRCH website [Cancer research center hotline], 65(6):175
NOY L. Pediatric obesity: are we under-diagnosing? Assessing pediatric obesity at an urban community health clinic, 65(4):102
